Seven Soldiers Enrolled at Outpost—Three Generations Represented

The week-end meetings, March 13-14, were conducted by Captain and Mrs. McCauley. Two seekers knelt at the Cross. The Captain recently visited Winnipeg, where a good work is being carried on by Brother and Sister Siles. Seeing the need they started a Company meeting which now is attended by eighteen children. They also held Salvation meetings in their home on Sunday nights.

The Captain was warmly welcomed on Saturday. He gave a lantern service to the children and led a Salvation meeting. On Sunday afternoon he drove seven miles to a school house where thirty people enjoyed a meeting. The "Bible" meeting was held at Sister Mrs. Toy's house and seven comrades were enrolled as soldiers. Three generations are represented by the new Soldiers—Grandpa Saunders, who is over 90, his daughter, and three grandchildren.

Inspiring Week-end Meetings conducted at Riverdale by Lieut.-Colonel and Mrs. Otway—"Family Gathering" Attracts Large Crowd—Three Soldiers Enrolled

THE "Out of the Rut" Campaign at Riverdale was brought to a close by a visit from Lieut.-Colonel and Mrs. Otway. It was Candidate's Sunday and incidentally the first anniversary of the Corps Officers, Ensign and Mrs. Snowden, taking command.

## Brought New People

The week-end opened with the "Saturday Popular." This is one item of getting out of the rut and instead of having a small meeting on a street corner, there is arranged a large gathering with an attractive programme of music, song, readings, recitations, and other interesting items, followed by a cup of tea and a piece of cake with a half-hour social, comradely time. This has brought new people to the Hall and on Saturday last the large Hall had to be used to accommodate the crowd, among them fifteen who had never been before.

One lady thanked the door-keeper, saying she had had a most enjoyable and profitable evening and would come again.

The Band, led by Deputy Woods, in the absence of Bandmaster Martin, rendered some of their best music. Three comrades soloed or recited for the first time. Mrs. Otway gave an appropriate Bible reading.

On Sunday morning a large congregation gathered and it being Candidates Sunday, the Divisional Commander continually made references to the cry of "Out of the Rut—Come over and help us."

## A Family Gathering

Another "Anti Rut" meeting was the afternoon "Family Gathering." The district has been well circulated with doggers, and it has been advertised in the weekly Riverdale newspaper that this is a meeting where mothers can bring the baby, a special room being arranged for baby carriages.

A splendid crowd filled the Hall, it being noticed that men and their wives and little ones were in evidence.

The Colonel lectured on "A tour through India," showing the Salvation Army at work among the criminals and outcast tribes. Mrs. Otway addressed the children.

At night the Citadel was again filled. Candidates were to the front. Riverdale has six Young People who have volunteered including the Corps Secretary, Brother McGillivray; Brother Woods, Songster Leader; Sister Jean McGillivray, Guard Leader, and three others.

## RIVERDALE SONGSTERS.

Hold First Anniversary Social

On Friday, March 25th, the Riverdale Songster Brigade held their first Social and Banquet, which went off very successfully. A fine spread was prepared by Songster Secretary J. Wood and his wife, to whom much credit is due. The Band Sergeant and a few more were present. After the banquet Ensign Snowden spoke in appreciation of the way the Songsters had worked with him and stood by him since the inauguration of the Brigade about a year ago. He also extended thanks towards the Songster Secretary for getting up the affair.

He spoke of the power of music and well in that order, the Songsters sang, and ended with an

Bandmen and Songsters. The Corps is giving its best.

An enrollment of three new Soldiers took place, the Colonel remarking that on each former week-end visit he had had the pleasure of enrolling under the Flag new Soldiers. During the year of Ensign and Mrs. Snowden's command thirty-eight have been added to the roll.

Ensign Hancock, known to all War Cry readers as "Rocky" farewell for the West. It was noticed that the Ensign wore his long service badge of thirty years and he referred to the days when "Captain" Otway sent him out into the villages of Norfolk and Suffolk in the Old Land, and he was not weary yet. During the Salvation meeting four souls came to the Mercy Seat for Salvation and one for consecration, wishing the day with a Hallelujah march round the Hall.

## Good News Progress

Riverdale Corps is right out of all ruts. During the year the weekly Holiness meeting has been started. The Corps to keep out of the ruts, have been built, the cartridges advanced twenty per cent, the Band increased and a new Songster Brigade formed.

We finished a "Sabbath well spent" with the reconstruction of the Corps to keep out of the ruts, and to make the next year the best yet.

"Crowded out" "no room to grow" this and sundry other expressions can frequently be heard concerning West Toronto. Captain and Mrs. Curry are having "the time of their lives." A record of over twenty souls at the Mercy Seat. During another week-end nine sought God. A scheme is under consideration for an enlarged Citadel.

Weston—A deputation of the Property Council accompanied by the Divisional Commander, recently inspected a lot at Weston, a rising suburban town, and it was decided to purchase the same and erect a Hall for a new opening, this to take place during the coming summer.

Ensign and Mrs. Rodgers, Uxbridge, are making things hum in this town and the neighbouring district.

A large crowd assembled on Sunday afternoon for the lecture, "Four years with the Troops in France." The Mayor has convened a meeting of the leading people of Uxbridge to meet the Ensign and to listen to the Jubilee Programme.

encouragement to the Brigade to go on and increase in numbers and efficiency. Songster Leader J. Wood responded, and Deputy-Songster Leader E. Burton, also Songster Sergeant Mrs. Cliffe spoke. Songster Ivy Harley soloed. The evening closed with prayer.—H. Wood.

## HUNTSVILLE

On March 25th the series of meetings conducted by the Band, came to a conclusion. They have proved very beneficial to all, as they have been a means of much blessing. It is very noteworthy to see the crowds that stand around our open-air. Our inside meetings are also being well attended. Captain Larnan is well pleased with the result of the meetings.—E. P.

## OTTAWA II.

The Young People's Annual was held on Monday evening, March 15, and was presided over by Adjutant Smith of No. 1, a very enjoyable programme was rendered by the children and Life-Saving Guards, also Sister Mrs. Williams, Record Sergeant.

The Life-Saving Guards gave a fine display of club swinging and Guard Maggie Whitworth sang a solo.

The Band played a march in fine style and the Band Quartette sang in a very pleasing and effective manner.—Corps Correspondent.

## BROCK AVE. (TORONTO)

A ten-day campaign was recently conducted by Ensign Osborne and most blessed times were experienced. There were twelve surrenders. On Tuesday, the last night of the campaign, the meeting did not close till 11:30 p.m., seven young men and a young woman coming forward. The Ensign's lecture on his experience was enjoyed by a good crowd.

## WINNIPEG III.

On Sunday, March 21st, we had with us for the morning, Lieut.-Colonel and Mrs. Noble, Brigadier Phillips and Cadets, Colonel and Mrs. Noble, and Mrs. Noble. We had an inspiring meeting. In the evening meeting we had Brigadier and Mrs. Hay. Our Corps is progressing.

We have had some very interesting cases lately. Two women who attended the meeting three weeks ago went home and gave themselves to God. Last Sunday, March 14, one of them dedicated her three children to God.—E. K.

## MOOSE JAW

Adjutant and Mrs. Beattie led the week-end meetings. Two seekers knelt at the Cross. The Bandmaster and Band Secretary led the meeting on Thursday.

The Rev. Mr. McNair, of the British and Foreign Bible Society, spoke at our meeting on Tuesday. The Home League held a sale of work on March 15 and 17, which was a good success. The Sergeant-Major and Bandmaster Probert led the meeting on the following Thursday and one soul sought Salvation.

## SAULT STE. MARIE

The Young People's Annual Demonstration was held on Monday, March 8th, the Hall being well filled. The Home League held a sale of work on March 15 and 17, which was a good success. The Sergeant-Major and Bandmaster Probert led the meeting on the following Thursday and one soul sought Salvation.

## YORKTON, SASK.

We are in for Soul-saving times. Captain Kitson conducted a special Holiness campaign for two weeks, and thirteen sought the blessing of a clean heart and two came out for Salvation.

## WORTH REMEMBERING

Faith proceeds to more than believing. It is a living contact with a living Saviour. Difficulties cannot injure true faith. They stimulate its growth. The kind of lost opportunity is never told in this life.

## KOREA

A STORY WHICH SHOWS HOW THE ARMY CONVERTS ARE STRUGGLING OUT OF THE DARKNESS OF SUPERSTITION.

At a dedication service in a Korean village a woman came up to ask if special prayer could be made for her baby boy.

She was all she had: four other little ones had gone to Heaven, and she did want to keep this one, and please give her a good woman's name. So she was named "Hannah." Time passed and Hannah flourished. Later a tremendous joy came to Hannah's home. A baby boy arrived. Girls do not count for much in a Korean home, but a boy—well, he is everything. So Hannah's father, who is not poor, prepared a feast and invited all the neighborhood and all his talk was of "My son."

"When the Regional Officer comes we will have him dedicated and named a good Bible name," he said. But the mother said, in a sorrowful voice, "I have already given him a 'Devil name' for I am so afraid that the devil will lust my beautiful boy and I can't bear the thought." (Koreans give boys such names as "Pit" thinking that the evil one hearing the name will judge the boy worthless and not trouble him). Then they sent to tell the Regional Officer, and it was decided that the boy should be called John when the time came to change his name. (Korean boy names are often changed two or three times).

But poor little baby, who had been so well cherished and when the influenza epidemic swept through the little village, went to join his brothers and sisters, and all his cousins went too. The only one who was spared to Mr. Sor and his brothers living in the village was Hannah. His nephews and nieces who used to play around his house, all went to Heaven. Hannah still flourishes, and we hope she will grow to be a good woman. Her mother and father are praying that they may be made stronger in faith, and that they may meet their little ones in the Golden City.

## JAPAN

SOUL-SAVING VICTORIES AT MANY CENTRES

Thirty new Soldiers were recently enrolled at Sendai, and at the close of the ceremony thirty-three souls sought Salvation.

During public meetings in connection with the Cadets' welcome to the Training Garrison at Tokyo, the professor of Sendai Imperial University was sworn-in as a Soldier. He first met the Salvation Army on the Founder's visit to the city twelve years ago, and has frequently attended meetings and testified.

Colonel Yamamoto has visited ten centres in the West. At some places thousands of people were unable to get into the meetings. One hundred and fifty-three seekers knelt at the mercy-seat. In one village of 300 houses 350 people attended the meeting. Two women-officers are waging a lonely but winning fight in this place.

A doctor and his wife are among the eighty-three Cadets now in the Training Garrison.

## DUTCH INDIES

The story of the promotion to Glory of a Leper Girl at the Army's Palentoengan Colony in Java

The word "Geltkeid" is one which is much in use in the Dutch East Indies (writes Col. Cunningham, the Territorial Commander) and it means placed on the same footing or granted equal rights. It particularly applies to the various

Dinner Time at the Army's Leper Colony in Java

epidemic which has fairly swept over these islands—it is estimated that about two millions have succumbed to it—and that while all the other patients had recovered, poor Louise had died. Some weeks previous to her taking ill the Asst-

resident of the district had paid an official visit to the Colony and she had then taken the opportunity of making application to be "geltkeid," for being Menadonese by birth she was not in the enjoyment of full equal rights. She was looking forward with expectation and pleasure to being granted these rights.

### A Pathetic Procession

The Officers and patients had loved her in life and in death they vied with each other in gathering the sweetest roses and the choicest flowers of the garden to lay beside her in her coffin where they told me she looked just as though asleep. Together these half-maimed fellow-patients headed by our Officers formed a pathetic procession to the graveyard where with truest sorrow and overflowing sympathy they laid Louise in the grave in sure and certain hope of the resurrection. As I listened to the account of her illness, her death and her funeral from our Officers, one of them turned and said with tears in her eyes, but now she is "geltkeid." Yes, this is gloriously true! She has gone to the land where exile and colour do not count, where we shall all be the children of one loving Father.

Louise was saved and gave every evidence of being a very true Christian. She loved to come to the meetings and to sing our Salvation songs.

I enquired about her and was told she had nearly all of the influenza, had some weeks ago been laid low by the terrible influenza

SHELTERING THE HOMELESS IN RETIME-NEW PROPERTIES ACQUIRED

The Cadets in the present French Training Section in Paris include a number of demobilized soldiers and a brother and sister.

A Hostel in Le Havre has just been taken over by our French comrades, and will be used as a shelter. A Working Man's Home will shortly be opened at Valenciennes.

Land is about to be purchased at Reims with a view to the erection of a large hut to shelter the distressed and still homeless people. There are already two tents in use—one as a hut for soldiers and the other as a shelter with fifteen beds.

A Hall has been given to the Army at Les Bordes (France) by a Salvationist woman comrade. Premises have also been secured at Marseilles for a Hall, Officers Quarters, and reading-room for workers. A drinking-bar has been transformed into an Army canteen.

The Self-Denial Effort was most gratifying, an splendid advance of 60,000 francs being secured!

## CZECHO-SLOVAKIA

NEW OFFICERS FROM SWEDEN—GOOD PROGRESS

Three Swedish Officers have recently arrived at Prague (writes Commissioner Larsson). We were anxious about them as they got to Berlin on the same day that abolishing took place, which resulted in several people being killed. Our comrades were present at the public meeting last night, when we had eight volunteers for Salvation!

Our public meetings continue to be good. On Sunday we had seven seekers at the Cross.

Adj. Gannett is working hard with the Band. We have purchased nine more instruments, and expect in a couple of months to have fifteen players!

## INTERNATIONAL ITEMS

Cup Day in Melbourne, the Derby Day of Australia, was made the occasion of a series of rousing meetings conducted by Commissioners Hay in the City Temple. Twenty-six men and women surrendered.

News comes from Calcutta (India) that the new Corps and Schools are being opened, and by means of lanterns, revivals, and other means, are being reached and souls are seeking Salvation.

In a little Belgian town a minstrel was converted in a Salvation Army meeting. One day a comrade called him to the instrument which permits conversations between widely-separated mines. The result of the conversation was the conversion of the man at the end of the wire.

At crowded meetings at Bangalore (India) the seekers included a high school teacher, who next morning told his boys that he had sought Salvation at the Army's ministry-form. He and his wife have since been sworn-in as Soldiers.

## BAND NOTES

The Dovercourt Band with Ensign Leach, the Corps Officer, visited the Epworth Methodist Church on Wednesday, March 24th. The meeting was one of a series in connection with a Forward Movement.

The Headquarters, Male Quarters, with Staff-Captain Easton, conducted the week-end meetings at North Toronto (March 20-21). On Sunday afternoon a programme of music and song was given. The Quartette visited the Darvish Hospital in the morning and sang to the patients.

The "best yet" was the verdict of the large crowd which packed the Citadel on the occasion of the Third Monthly Band Festival at Winnipeg. Brigadier Hay presided. The inclusion of the Songster Brigade on the programme was a happy thought; their two efforts, an anthem, "Praise the Lord," and "The Soldiers' Chorus," with Band accompaniment, were of a very high order.

The outstanding Band numbers on the programme was "Great Masters," M. J. section. The Band's tasteful ensemble in the opening and closing movements and the masterly treatment of the delicate accompaniments throughout revealed good training, and showed that the Band felt quite at ease on this selection.

A unique item was a sketch depicting "A Scene in a Salvation Army Red Shield Hut in Boulogne," in which ten of the returned Bandmen took part.

The singing of the Male Voice Quartette, and an Epiphany solo by Bandman P. Merritt were both first class efforts.

About five hundred tickets were sold before the Festival, a fact which reveals the growing popularity of these monthly musicals and is an encouragement to the Band to go ahead and make the next one still a greater success.—J. R. W.

The St. Thomas Band is again coming to the front. Much credit is due to Bandmaster L. Jones.

We have given a hearty welcome to Bandmaster and Mrs. Greenwood who have been away at Niagara Falls for some time, and also to Bandman and Mrs. Thorne from London. L. Bandman Greenwood has taken up solo horn and Bandman Sharpe solo cornet.

The Bonaville (N.H.) Band is progressing under Bandmaster Hosland. Two new Bandmen have recently joined, namely: Brother James Russell, who has returned from Sydney and Brother James Conner. A new cornet has been added.

## PORTAGE LA PRAIRIE

Our former Officer, Adjutant Bourne, paid us a visit recently. On Sunday morning he conducted the last meeting. He also led the Corps marches throughout the day.

Staff-Captain Merritt was with us on March 7 and took special interest in the Young People.

## HAMILTON IV.

Captain Spooner conducted the Young People's Annual. The meetings were well attended, and two souls Salvation. On Tuesday a good programme was given by the Young People and the Captain presided.

## HAMILTON II.

On Sunday night, March 14th, one backslider whom we had been praying for, returned to God. Two others followed.

## NEW MATERNITY HOSPITAL

Is Opened at Sydney by COMMISSIONER RICHARDS

JUDGE FINLAYSON PRESIDES AND SPEAKS HIGHLY OF ARMY'S WORK—A DESCRIPTION OF THE NEW INSTITUTION

At the opening of the new Maternity Hospital in Sydney by the Commissioner on Saturday, March 20th, over two hundred representative citizens were present. Judge Finlayson presided over the gathering and highly praised the Army, especially mentioning the Prison Work, which came more particularly under his notice.

### Prominent People Present

He was supported by Mayor Fitzgerald, several Ministers, and many leading citizens.

Dr. McLeod, who is the oldest physician in Cape Breton, spoke of the need of such an Institution and said he was glad the Army had undertaken the work. He wished the Army God's blessing and every success in its new venture.

The Commissioner gave an interesting review of the work being done by the Army throughout the world, and Brigadier Des Brisay, the Women's Social Secretary, told of what was being done by her Department of Work throughout the Canada East Territory.

Eleven members of the Graduate Nurses' Association served in a front-line hospital in the great war, and Miss McLeod, who served in a front-line hospital in the great war, and Miss Rebecca McLeod, daughter of Mr. and Mrs. Duncan McLeod, and Miss Annabelle McLeod, of Baddeck. Dr. W. H. Rice is superintendent of the hospital while on the medical and surgical staff are Dr. J. J. Roy, Dr. James Bruce, Dr. W. M. Cowperthwaite, Dr. John Macdonald and Dr. W. R. McNeil.

### Description of Hospital

In a descriptive writing of the Hospital the Sydney "Post" says: "The Salvation Army Maternity hospital has already been the birthplace of eight of Sydney's youthful residents, for while not formally opened it has been a working institution for several weeks past.

There are three wards with three to five beds each, a single private room and a large nursery, in all of which twenty-two adult patients and a dozen or so babies may be comfortably cared for. The wards are large airy rooms, well lighted, with walls tinted in a soft yellow, the ceilings done in ivory and the floors

covered with a heavy rubberized linoleum of a deep brown tone. Curtains of sheer white serim trim the windows.

The nursery is decorated much on the order of the wards and has self-contained lockers to keep separate the garments and possessions of each case guest, while dainty lockers take the place of the ward cases. The private room is a pretty sunny apartment opening onto a balcony.

An operating room has been fitted up in the hospital with the very latest of equipment, including electric sterilizers and everything that makes for the convenience of doctor, nurse and patient. The first floor is given over to offices, staff apartments, dining hall and kitchen, all arranged in excellent taste.

### Efficient and Well Trained

The working staff of eight nurses, to be increased to ten next winter to twelve or more, under Adjutant Gertrude Holladay is an efficient and well-trained aggregation. The nursing staff includes three graduate nurses, two Sydney girls, Miss Nan McLeod, who served in a front-line hospital in the great war, and Miss Rebecca McLeod, daughter of Mr. and Mrs. Duncan McLeod, and Miss Annabelle McLeod, of Baddeck. Dr. W. H. Rice is superintendent of the hospital while on the medical and surgical staff are Dr. J. J. Roy, Dr. James Bruce, Dr. W. M. Cowperthwaite, Dr. John Macdonald and Dr. W. R. McNeil.

### Residence for Nurses

The Army already has in the course of construction a modern two-story dwelling, on the same site as the hospital, which is to be used for a residence for the nurses on the staff. In the near future it is understood an extension will be built on the hospital which will include ten private rooms and ten rooms of a semi-private nature. In the hospital grounds will be installed at the same time a modern laundry complete in all the up to date improvements in that line.

## HOME LEAGUE NOTES

On Thursday, March 18th, the Winnipeg VI. Home League held a sale of work and home cooking. Mrs. Brigadier Taylor opened the sale and gave a short address. The women turned out well to help us. We had a doughnut hot which was well patronized, we also had representatives of Canada, France, China and the "Girl Over There." Our goods sold well and we raised one hundred and nineteen dollars. We finished up at night with a musical programme given by the Winnipeg II. Band-Brigadier Taylor presided. At the close of the programme Ensign Bartlett, adjutant of the pools that were left—V. Boorman, Acting Corps Correspondent.

The Home League of the Moose Jaw Corps is quite an established fact. Many of the sisters testify to the happy and profitable time spent on Tuesday afternoon.

The result of the winter's work was well to the front recently in the shape of a sale of work which proved very successful in spite of the inclement weather.

Great credit is due to Mrs. Adjutant Beattie and her band of willing workers for the splendid display of saleable articles.

The Life-Saving Guards were well in evidence with a good show of their work.

Three hundred dollars was realized which will help roll the old clock along.—A. P.

Brothers George Abbott, Joseph Blackmore, and Sister Mrs. Blackmore and Mable Rice of Pilley's Island

This Corps has suffered the loss of several comrades from death in 1920. The first to receive the summons was Brother George Abbott on July 28th, after an illness of two months. During that time he manifested a spirit of Christian cheerfulness and resignation, and among his last utterances was, "I am going to be with Jesus." Our comrade had been a Soldier for several years and his life was a living witness of God's keeping power. We laid him to rest with Army honours on July 28th. May God comfort those who mourn.

Joseph Blackmore, a staunch friend and supporter, and for many years a Soldier of the Army, passed away on August 3rd. His dear wife and daughters and son mourn his loss greatly. Mrs. Adjutant Gillingham, of Chatham, Ont., is a daughter, also Mrs. Baindinner Horwood, of St. John's, N. L., is one. The Junior Treasures of Pilley's Island Corps. The funeral was conducted by Lieutenant Hewitt in the presence of the Commanding Officer.

Mrs. Fanny Blackmore also received the call and said farewell to earth after she had assured her watching friends that "All is well." She had been a Soldier of the Army for twenty-eight years and during that time she was well known as a ready helper in all good causes, a cheerful giver, and a loyal Soldier. Her last days were filled with suffering and the call "Up Higher," was gladly received. Her funeral service was large and impressive. Adjutant Marsh was supported on the platform by Rev. Mr. Moulton, who gave a stirring address. Thirty Home League members preceded the coffin in the procession, and dropped their tokens of love in the grave.

1920 has already witnessed the departure of one of our young people, viz: Mable Rice, who passed out on January 8th, at the early age of fifteen. Just a few days before her death she sought Christ while at her evening prayer. She assured us all in her last hours that she had no fear of death, and said, "I'm going home to die no more."

At the memorial service on Sunday night, January 11, six songs were sung, among whom were a sister and the father of the deceased. Jesus death all things well.

—W. T. M.

Sister Mrs. Horton, New Aberdeen. Our comrade's death came very suddenly. On February 1st, while working around the store, she was struck by a falling box, which gave her a severe blow to the head. She was rushed to the Hospital at once, but the shock was too much for her. She was visited by the Officers and other while in the Hospital, and gave her heart to God. When dying she left a beautiful testimony behind. She passed away on the 12th. She leaves to mourn her loss a husband and one little girl.

The funeral service was largely attended. It was conducted by Adjutant Holland from Sydney, assisted by Captain P. Grexick, at the New Aberdeen Chapel on the 15th. "Face to Face with Christ my Saviour" was sung as a duet. On Sunday, February 22, a memorial service was conducted by Captain Grexick and Lieutenant McCulloch. A few of the comrades spoke on her behalf, and gave a warning to those unprepared to meet God. At the close of the meeting the father and mother of the departed comrade came back to God.

## PROMOTED TO GLORY

Sister Mrs. Armstrong, Dauphin. The Dauphin Corps has lost an old and faithful warrior in the person of "Mother" Armstrong, who passed away to be with Jesus on February 14th.

"Mother" Armstrong had been a Salvationist for over thirty years, and it was her greatest pleasure to

attend the meetings, and do all she could to extend God's Kingdom. Our comrade suffered for a long time, yet she was very patient, and had full assurance that all was well. The service was conducted by Captain and Mrs. McCaughey. Sister Mrs. Robertson spoke on the faithful life of our late comrade, saying that she was a true follower of Jesus Christ and a true Salvationist. Mrs. Captain McCaughey soloed. The Captain read from God's word and spoke of the assurance a Christian had of the life Eternal. He said that Mother Armstrong had laid up for herself treasures in Heaven.

A good number gathered to pay their last tribute to our late comrade. Many eyes were filled with tears as they passed the casket and looked on the face of this faithful Soldier.

On February 20th, we held the Memorial Service. Many touching references were made to the true Christian spirit of our departed comrade. Brother John Taylor said she was a mother to all, and was ever ready to give a helping hand. Junior Sergeant Major Mrs. Haddrell spoke of her devotion to God and the Army. Little Margaret Ward, one of the Juniors, sang sweetly—Redwing.

Bandman Jones, Hamilton I. Our ranks have again been broken at Hamilton I., by the death of Bandman W. Jones, the drummer. He succumbed to pneumonia following an attack of "flu."

Our comrade had a glorious finish, passing peacefully away on Sunday morning, February 28th, after giving his wife and several friends the assurance that all was well with his soul.

The funeral was conducted on Tuesday, March 2nd, by Lieutenant Hargrave, assisted by Major MacMunn and the City Officers. The Memorial service was conducted on the following Sunday by Adjutant and Mrs. Kendall. Several comrades spoke of the consistent life of Brother Jones. His widow spoke of his sterling worth as a husband and father. The Band played the "Dead March in F." Mrs. Kendall gave a soul stirring address and during the prayer meeting over forty seekers knelt at the Mercy Seat.

Bandman Jones was converted twenty years ago at Eedes (Lancashire). He came to Hamilton seven years ago. We pray that God may comfort the widow and two boys—S.M.

Sister Houslow, Earlsclough. God has called to Himself and higher service another comrade from Earlsclough Corps, Sister Beattie Houslow being promoted to Glory from the Western Hospital on Wednesday, March 10th.

Our comrade came from England four months ago and made her home with Home League Treasurer Mrs. Houslow. Early in December she gave herself to Jesus and was enrolled as a Soldier of Earlsclough Corps, by Lieut-Colonel Otway.

She was suddenly taken ill and was taken to the Western Hospital where she passed away on Wednesday morning, March 10th. Her last words were, "I am going home to Jesus," and then quietly she repeated, "Oh, though I walk through the valley of the Shadow of Death, I will fear no evil, for thou art with me." At the funeral service which was conducted by Ensign and Mrs. Parsons on Saturday afternoon, a large crowd gathered and marched to Prospect Cemetery. Twelve soloists came to the Mercy Seat at the memorial service.

Sister Engdahl, Fort William. A little over six months ago, our dear comrade, Brother John Engdahl, was called to suffer the loss of his dear wife, and now a further sorrow is laid upon him, the death of his eldest daughter, Florence, at the early age of fifteen years, and after an illness of only a few short hours. We are glad to know, however, that the call found her ready, for Florence had learned to know Jesus as her Saviour in her very early youth, and gave ample evidence of this in her daily life. Florence had been enrolled in the Army, both her parents being Salvationists, and even when a small girl had taken her stand as a Junior Soldier.

At the beginning of the present year she undertook to teach a Company of children in the Junior Corps and gave promise of becoming a very useful and efficient worker. That a life that seemed so full of blessed possibilities should be cut off so suddenly is a mystery to us, but we are content to trust in the wise and kind providence of God until such things may be revealed to us. Upon the death of her mother, Florence, who was then attending the local Collegiate Institute, willingly sacrificed her valuable prospects to undertake a mother's part to her younger brother and sisters, and faithfully to perform these duties almost up to her last moments. She still, however, found time from her busy home life to devote to the service of others, and was an active member of the Home League.

She was taken ill on Wednesday evening, February 25th, and the doctor who was called in did not anticipate any serious result, but before twenty-four hours had gone by the call had come, and her short life was ended.

The funeral service at the local Collegiate Institute, who stated that although she was coming to the Institute she had impressed him, from the first as being "a woman in whose soul was a deep love for God and home."

Adjutant Oake conducted the memorial service on Sunday night, when Sister Mrs. Britton, who had known her all her life spoke of her noble and unselfish example. Sister Engdahl spoke of her happy childhood and her dear father, her mother, and her dear home, and since the death of her mother, her further training in the sustaining grace of God in his sad and early resignation to the Divine will. The visible results of this service were two out of the three, but we believe that the sudden call of Florence and her Christian life has spoken to many hearts and may yet lead others to seek her Saviour.

Young People's Sergeant Major Dyson, Hamilton III. We have sustained a heavy loss by the promotion to Glory of Young People's Sergeant Major Albert Dyson. He was only six days' illness, and he was called home to his reward.

During his illness, and towards the end, he spoke quite calmly of the fact that he was going home, and seemed to know and told his mother not to worry as he was going, where there was no pain or sickness, and said good bye to different members of the family, leaving a stirring and uplifting message to a brother. During little spells of semi-consciousness he heard hands and singing and was again with his Juniors. His death was a glorious testimony to the peace which God gives to those who live for Him.

Our comrade had a testimony at all times which made one look round and listen, and he lived a life which helped others. He was never afraid to enquire how anyone was progressing spiritually, and was always fighting the Devil. Whilst lying at the undertaker's, different ones from his works who had worked under him went to take a last look at his remains, showing their respect by word and deed. What a testimony to Salvation, showing that it is real men who are Christians, and not just a real Christian makes one a real man.

He saw the need amongst the children, and from that time onward he has gone forward until he was as some have said "a pillar of the Institute."

The funeral took place on Tuesday, March 3rd, a service was conducted at the undertaker's by Lieut-Colonel Hargrave, assisted by Major McCaughey and Major Burrows and Ensign Barclay. Each Officer spoke of his and his life with his lesson. A Male Quartette sang "Thy Will be Done." A full Band was in attendance, led by members of No. 1 Band. His death may be a call to someone to step into the light, put on the Whole Armour of God, and strive on the Young People's Work, which he loved and was with God's help so successful in.—F. H. B.

REPORT ON NIGERIA. The amalgamation of northern and southern Nigeria and the administration of that area during the period extending from 1914 to 1919 is the subject of a comprehensive and extensive report by Sir F. D. Lugard, Governor-General of Nigeria, which was issued recently, as a White Paper. In this it is pointed out that the administration areas of northern and southern Nigeria together are about one-third the size of British India and have a population of 16,000,000 or 17,000,000, being the largest of the Crown colonies and protectorates of the British Empire.

THE high cost of living is hitting nearly every part of the world. On the South African Rand Kaifans are reported on the verge of starvation, and the poorest paid whites are suffering severely. At a meeting of a thousand employees of the municipality of Johannesburg, a resolution was adopted calling on the Government to take control of the production and distribution of the necessities of life.

In India the abnormal prices of many necessities have forced several communities to demand compensation for marriages and other festive occasions.

Oil Fuel Galley. A LARGE oil fuel cooking galley is one of the innovations on H. M. S. Hood, the latest British battleship.

For several years past the use of oil fuel has been common in the Navy for propulsion purposes, but its employment for cooking is quite an innovation. The galley referred to is capable of cooking for 1,200 men. The heat is obtained by means of special burners, which consume

electric mechanism for sorting the cards.

But the lack of prompt publication seriously impaired the value of some of the most important statistics which were quite out of date before the public got them.

It was a former employee of the Bureau who invented the useful electric tabulating machinery which has proved such a boon to the statisticians of the Federal Census. This machinery was first used at the Twelfth Census (1890), the director of which estimated that if the tables of age, sex, nativity, and occupation had been made by hand, it would have required the labour of one hundred clerks for seven years, eleven months, and five days. It was found that electrical machinery saved hundreds of the time, two-thirds of the cost of hand-work, and at least \$500,000 to the Government, besides being more accurate. In addition the machines enabled the census clerks to count combinations of facts.

Results Are Correct. The new electric device not only saves time and expense, but accomplishes another thing equally valuable. All its results are correct, the human liability to error being entirely eliminated by machinery which can not go wrong. If the operator makes a mistake, the machine simply refuses to work.

the oil under pressure, compressed air being used to atomize the fuel. The result is a white flame of extraordinary heat and cleanliness, which leaves no residue whatever and is easily controlled. There is an entire absence of smell—a usual disadvantage in cooking by means of oil—and there is no chance of the food being contaminated.

## DEVOTED SERVICE

A WOMAN missionary who did a great work in Africa has just passed away in Scotland. Thirty years ago she travelled for into the interior of Africa and by her practical service to a tribe of natives led them skilfully to open a school for the education of their children. For a greater part of the thirty years she was the only European woman in the territory.

In the rainy days she grew very weary. The native friends who gathered round her would divine her loneliness and in many ways they tried to break the monotony, all of which endeared her black people to herself. Once, she determined to take a trip to Europe and made arrangements accordingly, only to find that if she carried out her intention the tribe would have lost to its faith. She determined to remain, and she was there until a long period of mourning for the "White Face with a Heart like the Sun."

## NO PLACE FOR MOTORS

OWING to the lack of streets or bridges suitable for motor traffic in Japan there is little chance of establishing an automobile industry in that country (says a writer in the "American Missionist"). He goes on:

"The thoroughfares actually have no sidewalks, compelling pedestrians to use the street itself. The drainage is at the side, in gutters at least a foot deep, and if a motor vehicle drops a wheel into one of these gutters it is in difficulty. Then, too, many of the streets and roads are barely wide enough to admit of the difficulties of motor traffic. I may mention a ride from Tokio to Yokohama, a distance of only eighteen miles. The whole trip was a problem of working one's way through a mass of pedestrians, jinrikishas, and coolie-carts, and required two and one-half hours."

## CHINA WAKING UP

THE young men of China are waking up to the need of being educated in Western and modern standards. The Chinese Students' Alliance of America publishes the statement that there are 1,500 students now studying in various colleges in the United States. Medical students come first with 400, followed by engineering, and then by law, pharmacy, dentistry, bacteriology, and sanitary engineering. There are over 2,000 Chinese students in the Washington and Imperial Universities in Tokyo, Japan, while the local colleges at Kobe, Osaka, and other commercial centres show an increasing number of Chinese students. Many of the students are to gain diplomas which are highly prized in cities like Tientsin, Peking, Chungking, and other hubs of industry.

Results Are Correct.

The new electric device not only saves time and expense, but accomplishes another thing equally valuable. All its results are correct, the human liability to error being entirely eliminated by machinery which can not go wrong. If the operator makes a mistake, the machine simply refuses to work.

## POINTED QUESTIONS

Are you seeking to satisfy your soul with a mere intellectual religion?  
Is the Saviour a bright reality to you?  
Is your life pure and victorious and sweet with unselfish service?

### SONGS OF SALVATION

#### HEAR ME

Tunes—Tossing like a troubled ocean, 87; Saviour, Lead Me, 86; Song Book, 518.  
Come, my soul, thy self prepare, Jesus loves to answer prayer; He Himself has bid us pray, Therefore will not say thee nay.  
Hear me, hear me, Saviour, hear me while I pray; As before Thy Cross I kneel, Saviour, hear me while I pray.  
Thou art coming to a King, Large petitions with thee bring, For His grace and power are such None can ever ask too much.

#### BLESSEDLY SAVED

Tune—"Blessedly Saved," B. J., 71, S. B., 259.  
I am saved—blessedly saved—by the Blood,  
Sweetly kept by the power of His might;  
I am walking and talking with Jesus, my Lord,  
In His precepts I run with delight.

**Chorus**  
Blessedly saved—saved by the Blood,  
Blessedly saved by the Blood of the Lamb!  
Happy and free, Jesus with me,  
Blessedly saved, blessedly kept—yes, I am!

I was saved years ago by the Blood,  
After striving and praying with tears;  
But when willing the Spirit came in like a flood,  
And He washed all away sins of years.  
I've been fighting for God ever since  
In the Salvation Army so brave!  
Where He leads I will follow; I'm at His command  
To go forward poor sinners to save.

#### WONDROUS LOVE

Tune—"On the Cross of Calvary, 93; Song Book, 1.  
On the Cross of Calvary,  
Jesus died for you and me;  
There He shed His Precious Blood,  
That from sin we might be free.  
Oh, the cleansing stream does flow,  
And it washes white as snow!  
It was for me that Jesus died,  
On the cross of Calvary.  
Oh, what wondrous, wondrous love,  
Brought me down at Jesus' feet!  
Oh, such wondrous, dying love,  
Asks a sacrifice complete!  
Here I give myself to Thee,  
Soul and body Thine to be;  
It was for me Thy Blood was shed  
On the cross of Calvary.
